Welcome New Firefighter/Paramedic's!

In May of 2006 the voters of Plain Township approved a Fire Levy to hire additional Firefighters/Paramedic's and provide for facilities in the northeast quadrant of the township, which is the last quadrant to be provided with full time Firefighters/Paramedic's.

On March 31, 2008, twelve new Firefighters/Paramedic's were sworn in in front of family, friends, citizens and Township officials at a moving ceremony in the GlenOak High School Theatre. The list of the new Firefighters/Paramedic's includes:

Scott Bauer, Michael Evans, Michael Hill, Alex Hoce, Michael Kamp, Joseph Kieffer, Zak Magee, Richard Morabito, Kyle Nussbaum, Adam Reardon, Paul Weigand and Eric Wiedlebacher.

They all had previous experience and went through a rigorous, seven week orientation academy. This brings our full time staff to forty.

In 1979, Plain Township voters provided for the first eight full time Firefighters/Paramedic's at Fire Station #1 on Middlebranch Avenue. In 1993, a second full time station with additional Firefighters/ Paramedic's was opened at Fire Station #5 on Market Avenue N. In 1999, a full time station on the west side of the township was opened with additional Firefighters/Paramedic's. This hiring will provide for better response times in the affected area.

We are still able to provide service without individually billing residents for EMS calls.

Welcome Aboard!

These firefighters aren't just rescuing cats from trees! They all attended a rigorous, seven-week academy and orientation, where they were challenged physically and honed in on their competency skills. They are well educated, well trained, and ready to educate, serve, and protect the citizens of Plain Township.

Safety City Slated for Plain Local Students

The Plain Township Safety Forces and Plain Local Schools are offering a five-day Safety City program for children entering kindergarten in fall 2008. This program will be from 9:00 a.m. to 11:15 a.m. on August 11 - 15 at Little Eagle Kindergarten Center of William R. Day (located at 3103 38th Street NW). Participants are asked to arrive thirty minutes early the first day. A graduation ceremony will be held from 11:15 a.m. to 11:45 a.m. on the last day of the program. The program is free to Plain Local students and Plain Township residents. Those who live outside of the school district or township must pay to attend.

Children will learn about safety issues related to bicycles, food nutrition and wellness, guns, seat belts, fires, buses, strangers, pets, and pedestrian safety. Finger printing will also be conducted at the event. For additional information, or to obtain a registration form, contact the Plain Township Fire and Rescue Administration office at (330) 492-4089. Children must be pre-registered by July 31, 2008 to attend.

House Numbers Available

Being able to find your residence or business is critical to aiding safety professionals in responding to an emergency. Residents can obtain signs with a blue metal background and large reflective numbers to aid in locating addresses.

To order, send the order form and a \$14 check to:

Plain Township Paramedics,
3625 Middlebranch Avenue NE
Canton, OH 44705.

Call (330) 492-4089 with questions.

Aluminum Cans for Burned Children (ACBC)

ACBC helps child burn victims and their families by providing special protective clothing not covered by insurance, non-medical items such as pets or toys lost in fires, bicycles that help children exercise their injured bodies, and transportation to outpatient treatments. Many special events for child burn victims are also funded by this generous organization. Your contribution of aluminum cans at any of the fire stations is greatly appreciated.

Our Lakes, Streams, and Rivers Begin in Your Neighborhood

Water running off your yard, sidewalk, or street flows into curbside openings called catch basins. From there, this water runoff flows into the storm drain system. This water is untreated and flows directly into our lakes, rivers, and streams. For clean water, we need to keep trash and debris out of catch basins, trash out of the streets, and runoff water free from pollutants.

What Can You Do in the Home?

- Conserve water and reduce the amount of runoff by not over-watering your yard.
- Use pesticides, herbicides, and fertilizers sparingly and carefully. Buy non-toxic products for use in your home and garden whenever possible.
- Remember, *only rain down the drain*. Do not sweep leaves or yard trimmings into the storm drain. Use a broom instead of a hose to clean up garden clippings, dirt, and litter from sidewalks and patios.
- Properly use and store all hazardous household products, including cleaners, solvents, and paints. The best way to get rid of hazardous products is to use them or to give them to someone who can. Since that is not always possible, you can dispose of them at the Annual Household-Hazardous Waste Collection held every fall. For more information, please visit www.timetorecycle.org.
- Wash your vehicle at a commercial car wash. If you choose to wash your vehicle at home, use soaps and detergents labeled "biodegradable", "phosphate free", or "non-toxic". Do not empty buckets of soapy or dirty water into the street, gutter, or storm drain. Always empty buckets into the sanitary sewer system (sinks or toilets). Whenever possible, select a site where you can wash your vehicle on gravel or grass where wash water will drain onto grass, gravel, landscaping, or into the sanitary sewer system. This will allow the soapy water to filter through vegetation and soil instead of flowing into the drain.

NEW AUTOMOBILE TITLE OFFICE IN PLAIN

The Stark County Clerk of Courts, Nancy Reinbold, is opening a new Automobile Title Office in Plain Township. This new office will be located in the Whitewood Shopping Plaza, 3179 Whitewood Street, North Canton, across from the new Fisher Foods on N. Cleveland Avenue and next door to the Legends Grill.

The state is also opening a new Bureau of Motor Vehicles and Drivers Examination Station (drivers testing) in the same plaza. The grand opening of these new offices is scheduled for July 1, 2008. This will enable residents the convenience of obtaining drivers licenses, license plates, and titles for motor vehicles and watercraft, passports, and legal filings all in one location!

Bossart Awarded Alumni of the Year

Pamela Bossart has been inducted into the 2008 Stark State College Alumni Hall of Fame. The Stark State College Alumni Hall of Fame recognizes distinguished alumni who have demonstrated professional and personal achievements that have made our community a better place to live. Pamela received a plaque and will be honored on the Alumni Hall of Fame display at the college. Pamela graduated from Stark State College in 1990 with a degree in Computer Applications. She then went on to get her Bachelor of Science in Mathematics and Computer Science from Walsh University.

Pamela currently works at the Timken Company as an Operations Principal in the IT Department and has been a Plain Township Trustee since 1998. She is the President of the Executive Committee at Stark County Regional Planning, Secretary of the Stark County Township Association, and a member of various government associations in an effort to give back to the community. Pamela is the mother of three daughters and the grandmother of five.

Reduce, Reuse, RECYCLE!

Self-service recycling for paper, plastics, glass, aluminum, and cardboard is available for Stark County residents every day from dawn to dusk at the following three Plain Township sites: (1) Diamond Park, 2782 Diamond (W. parking lot), (2) Middlebranch Elementary, 7500 Middlebranch, (3) Taft & Day School grounds (on Salway). For more information please call **1-800-678-9839**.

PLEASE NOTIFY THE PLAIN TOWNSHIP ZONING DEPARTMENT OF ANY ABANDONED SWIMMING POOLS DUE TO THE RISK OF THE WEST NILE VIRUS.

Permits Required

Before you begin any construction project, you will need to contact the Zoning Department to discuss the minimum setbacks and maximum size requirements that apply to your property. In addition to a permit application, a site plan drawn to scale of your property is required to illustrate the new construction's size and location on the property. Permits must be issued BEFORE any work begins!

If you are hiring a contractor, we recommend that you discuss who will be responsible for the permits. Remember that, ultimately, the property owner is responsible for compliance of his/her property with all Plain Township zoning requirements.

For general information regarding the minimum requirements, application procedures, and fees required for your project, please contact the Zoning Department at (330) 492-4686.

Complaint Procedure

With the sunny weather of summer upon us, the Plain Township Zoning Department has been receiving numerous nuisance complaints; for the most part, due to high grass and/or weeds. The Zoning Department has the following policy regarding the filing and investigation of complaints for zoning violations or nuisance conditions which affect public health and/or safety:

- * Complaints will be taken in person, in writing, or by telephone;
- * Complaints that are filed with an identifiable complainant will be immediately prioritized and dealt with in a timely manner;
- * A response will be forwarded to identifiable complainants regarding the conditions found and intended course of action following initial investigation of the complaint.
- * Anonymous complaints will be taken, but are not prioritized and will be investi-

gated when there is time available for such.

ORC Section 505.87 authorizes the Board of Trustees to provide for the abatement, control, or removal of vegetation, garbage, refuse, and other debris from land in the Township, if the Board determines that the owner's maintenance of such vegetation, garbage, refuse, or debris constitutes a nuisance.

Sign Permits

Almost any temporary sign will require a Sign Permit, so before you put out that next banner or portable sign, make sure you have obtained your Sign Permit from the Plain Township Zoning Department.

A Temporary Sign Permit is active for 30 days. You may display a temporary sign for two months out of a six-month time period. Please apply for and obtain your Temporary Sign Permit before placing it outside of your business.

ALL PERMANENT SIGNS REQUIRE PERMITS!

Plain Township Historical Society

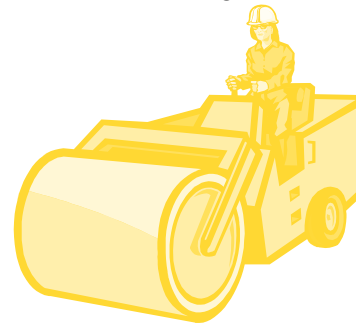

The Plain Township Historical Society meets on the third Monday of each month (except December) at the Plain Township Hall at 7:00 p.m. Meetings are open to the public. We would like to invite everyone to attend the following:

- Warstler Cemetery Tour on specific families—June 16, 2008;
- Dawn Firestone Pegg on Revolutionary War Soliders in Plain—July 21, 2008;
- Tom Pieper on Vikings in Plain—August 18, 2008.

We need your help! We are looking for pictures of one-room schools in Plain Township. They may be donated or lent to us for copying. Please contact Dawn Firestone Pegg at (330) 493-1731 or Tom Pieper at (330) 494-6187 if you have any pictures, drawing, or information about any of the following schools: Applegrove Holl, Mt. Pleasant, Shook, Plain Center, Fairview, Mexico, Vogelsang, New Berlin, Washington Hall, Franklin Hall, Brush College, or Grove Hall.

Permits Required

Road Opening Permits

A permit is required for any excavation in the Township right-of-way. A permit can be obtained by visiting the Plain Township Road Garage located at 6300 Heminger Avenue, Canton, Ohio. The fee is \$50.00

Driveway Permits

A permit is required for new construction, or any improvements you make to your existing driveway. This permit gives you the guidelines for paving and apron requirements. A permit can be obtained by coming to the Plain Township Road Garage. The fee is \$10.00

Basketball Hoops

Portable basketball hoops have been very popular throughout the Township over the last couple of years. Some being put in the right-of-way can, and already have, caused problems. According to O.R.C. Section 3767.15, no obstructions may be placed in the right-of-way. The Board of Trustees asks that these hoops be moved out of the right-of-way.

Pets That Have Style

It's time to celebrate YOUR furry friend in one or more of our unique contests! All proceeds go to help less fortunate animals at the Stark County Humane Society. This year's event will include ten unique contests for your dog, door prizes, raffles, Noah's Bark Puppy Playground, giveaways from McDonald's, adoptable pets from the Stark County Dog Warden and the Ohio Greyhound Gathering and Adoption, and a demonstration by four-time World Boomerang Record Holder, Gary Broadbent. Even the Stark County Sheriff Department's Canine Unit, Ollie the Police Dog, wouldn't miss this!
